MID-SIZED BUS (20 / 23-SEATER)

Combining comfort with nimbleness, our fleet of mid-sized buses are not only able to cater to up to 23 passengers, but can access most narrow roads - giving your passengers the luxury of being picked up and dropped off right at their doorstep.

- **Climate Control:** Efficient air-conditioning ensures a comfortable journey, no matter the weather outside.
- **Comfortable Seating:** Relax in semi-reclining seats for a refreshed journey. Designed to provide optimal comfort during your journey, ensuring you arrive at your destination feeling refreshed.
- **Versatility:** Whether you're planning for a family outing, company event, or tour group, our medium-sized buses allow your passengers the best of both worlds with comfortable seating, climate control options, as well as the stability of a mid-sized bus for a pleasant and enjoyable trip experience.

Your comfort and safety are our top priorities, and we look forward to serving you on your next journey.

ELECTRIC MID-SIZED BUS

(23-SEATER)

Sustainability meets comfort. With zero carbon emissions, the electric bus is the ideal people-mover for companies and individuals who want to reduce their carbon footprint.

- **Low Floor Entry and Exit:** Perfect for quick and convenient boarding and disembarkation of the vehicle.
- **Low Sound Levels:** Featuring a battery-power engine instead of a conventional combustion engine, you and your passengers can relish in a quieter, vibration-free journey.
- **Comfort Seating:** Relax in our soft fabric-clad seats for a journey that is designed to provide optimal comfort, ensuring you arrive at your destination feeling refreshed.
- **Versatility:** Whether you're planning for a family outing, company event, or tour group, our electric mid-sized buses allow your passengers the best of both worlds with comfortable seating, climate control options, as well as the stability of a mid-sized bus for a pleasant and enjoyable trip experience.

MINIBUS (11 / 13-SEATER)

Travel conveniently and comfortably with a small group of up to 13 passengers as you are swiftly transported from your pick-up point to your desired destination.

- **Efficiency Yet Enjoyable:** Our small buses are perfect for zipping around town safely and with ease.
- **Go Anywhere:** As the most compact option of our fleet, each minibus can bring your passengers to their destination — whether in a housing estate or a sheltered carpark.
- **Value-for-money:** Transport up to 11 adults or 13 children at a lower cost than booking a car.

ELECTRIC MINIBUS (13-SEATER)

Experience 100% emission-free transportation that's quieter and smoother.

- **Spacious Comfort:** With ample space for up to 13 passengers, you'll find spacious seating arrangements that ensure a comfortable journey for all.
- **Low Sound Levels:** Featuring a battery-power engine instead of a conventional combustion engine, you and your passengers can relish in a quieter, vibration-free journey.

WHAT OUR CLIENTS SAY

★★★★★
Westpoint was extremely patient with us despite us changing the seating capacity and return destination several times. They were professional, responsive and punctual. It was truly a comfortable, clean and safe journey which added to the enjoyment of the event. We will definitely get them again for our transport needs in future events :)

★★★★★
Booked 2 buses for our company away day event, buses arrived on time and were patient with our boarding, we took awhile to get everyone to leave the office to board the buses but the buses waited patiently for everyone. Buses were clean and air-conditioning was working powerfully for the hot weather! Bus drivers were courteous, kind and very helpful towards us.

Highly recommend this easy to book bus service, customer service was speedy and provided quote and information swiftly. Administration was a breeze! Thank you Westpoint Transit!

★★★★★
We engaged Westpoint for some of our transportation needs during some events we planned for our clients and we were certainly not disappointed. Buses/coaches were timely and communication with the operations team were smooth. Great experience overall!
